

## Bespoke Ballcourts

We can supply bespoke ballcourts with Square Closed Goals, Round Closed Goals or Chevron Goals. Once we know the nominal dimensions of the ballcourt you require and the main features you would like to incorporate, we will provide you with a quotation.

- 1 Height variations at goal ends from 1m to 5m
- 2 Variation to side wall heights from 1m to 5m to suit your location
- 3 1m High Gate
- 4 2m High Gate
- 5 Set-Back Entrance Panel
- 6 Sin Bin
- 7 Seat Rest for spectators
- 8 Single or multi-sport line markings
- 9 Rounded or square corners to Ballcourts
- 10 Choice of four goal options

Two examples with a range of options are illustrated here to show you the limitless number of design possibilities that can be achieved.

We supply, install and commission a wide range of floodlighting products for bright lighting combined with low light pollution - often stipulated by planning regulations.
